

NAVIGARE 2024 AT SAFRAN VECTRONIX

You are cordially invited to attend
NAVIGARE 2024, scheduled for April 25th.

Join us for an insightful event dedicated to the advancement of positioning, navigation, and timing (PNT) technologies. NAVIGARE 2024 aims to foster collaboration across disciplines, uniting experts in engineering, geospatial science, and information technology. Don't miss this opportunity to engage with industry leaders, share knowledge, and explore the future of PNT.

For more details, please see page 2.
